

**Chapter
Zero Romania**
The Directors' Climate Forum

INVITATION

We are delighted to invite you to the launch of Chapter Zero România, which will take place on

10 November 2021 11:00 – 13:00 EET

Organised by the **Independent Directors Association AAI** in Romania in partnership with **KPMG in Romania**, this virtual event will bring together high-ranking representatives from the public, private and academic sectors, including the Climate Governance Initiative (CGI) and the World Economic Forum.

Chapter Zero România is the Romanian Chapter of the **Climate Governance Initiative**, an international network of board directors established by the World Economic Forum in 2019 with a collective aim to address climate change at board level. There are currently 16 Chapters, Chapter Zero Romania will be the 17th Chapter.

The Independent Directors Association AAI and Chapter Zero Romania aim to mobilise executive and non-executive directors on the boards of Romanian companies to promote the implementation of the World Economic Forum's **Principles for effective climate governance in the companies they serve**, to facilitate the transition to a net-zero carbon economy by 2050.

Please find attached to this invitation the agenda for the event.

We look forward to welcoming you and greatly appreciate your support for our launch.

Please do contact us should you require any further information.

Simona Fătu

President The Independent Directors Association AAI

About the **Independent Directors Association AAI**

The Independent Directors Association AAI is a non-profit professional association created by Board directors for Board directors. AAI promotes corporate governance for business excellence and aims to help improve the professional standards of company Board directors. AAI hosts Chapter Zero Romania to help the Board directors assess the impact of climate change on the companies they serve and to help companies adapt to environmental change.

AAI is a member of ecoDa (European Confederation of Directors' Associations), the European platform for good practice in corporate governance, and a member of ICGN (International Corporate Governance Network).
